Hey, Amy!
Meisha--
Wow, you look different...
I dyed my hair.

I like to go all out for Spirit Week.
It's not just the hair though--
You look--
I don't know, happier?
Ha ha!
What gave it away?
I'm usually pretty good at hiding my emotions...

I have a nack for reading people.
Well, if you must know, I just got asked out to homecoming...
Really?!
By who?
By Desmond.
Who's

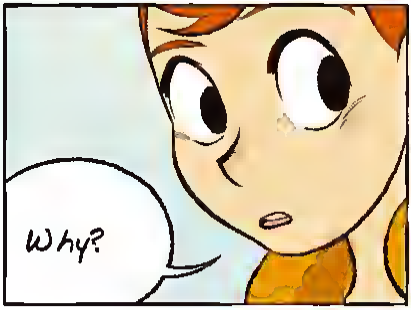
He's my sparring partner in fencing club.
Oh, wow.
Congratulations.

What class do you have next?

Sigh...
P.E.
It's my worst class...

Are you free for lunch?

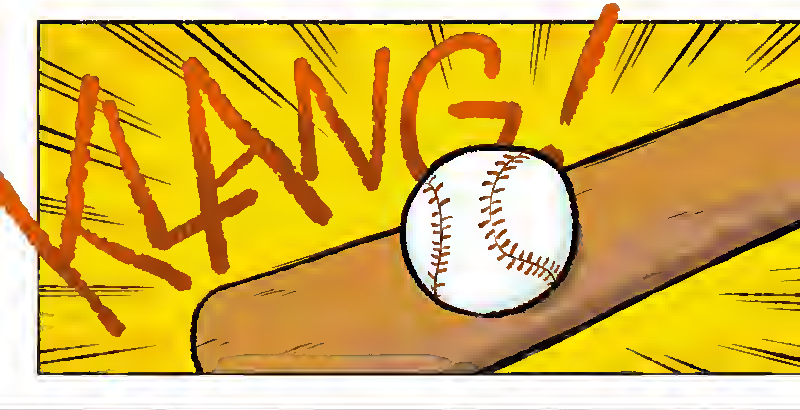
Tamara wanted to have another agriculture club meeting...



I'm not sure.

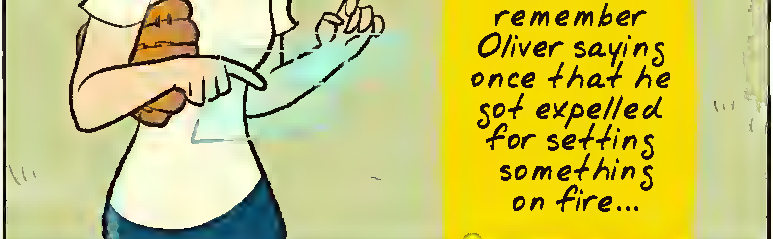
Can you make it?

I
guess
so...

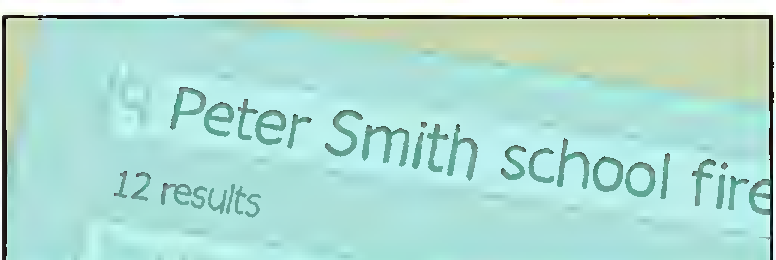


KAWG!

During P.E. I get a burst of inspiration.
I



remember Oliver saying once that he got expelled for setting something on fire...

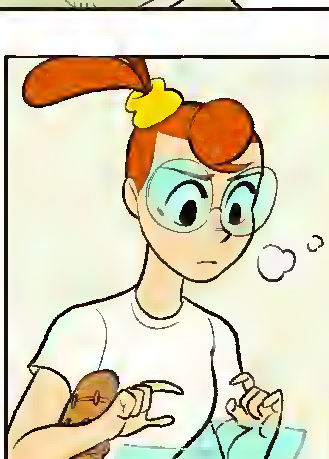


Peter Smith school fire
12 results

There we go!
That brings it down to only twelve results!

Amy!

Get the ball!



Hmmm...

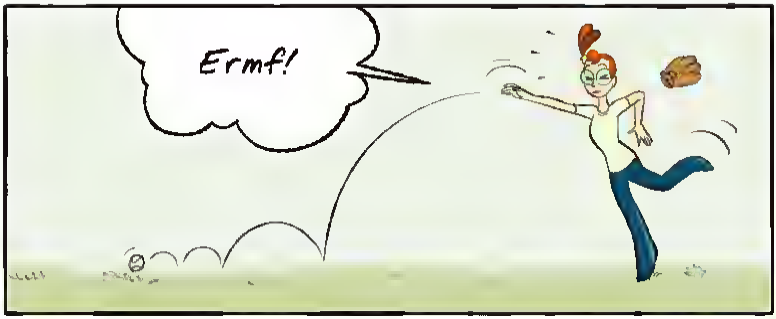
All these articles are about a teacher named Peter Smith who's house burned down.

Maybe if I searched for "arson" instead of "fire"?

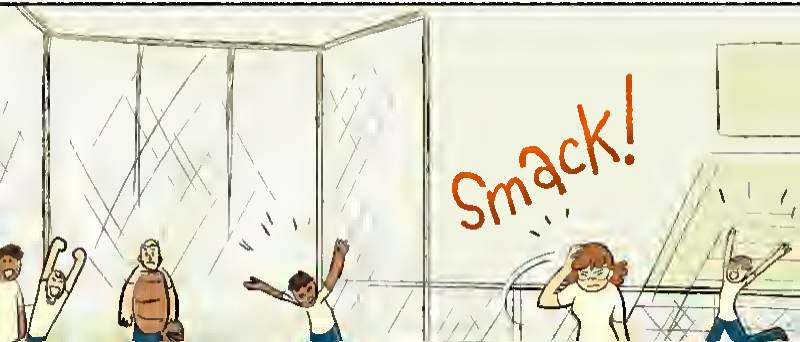
AMY!

The

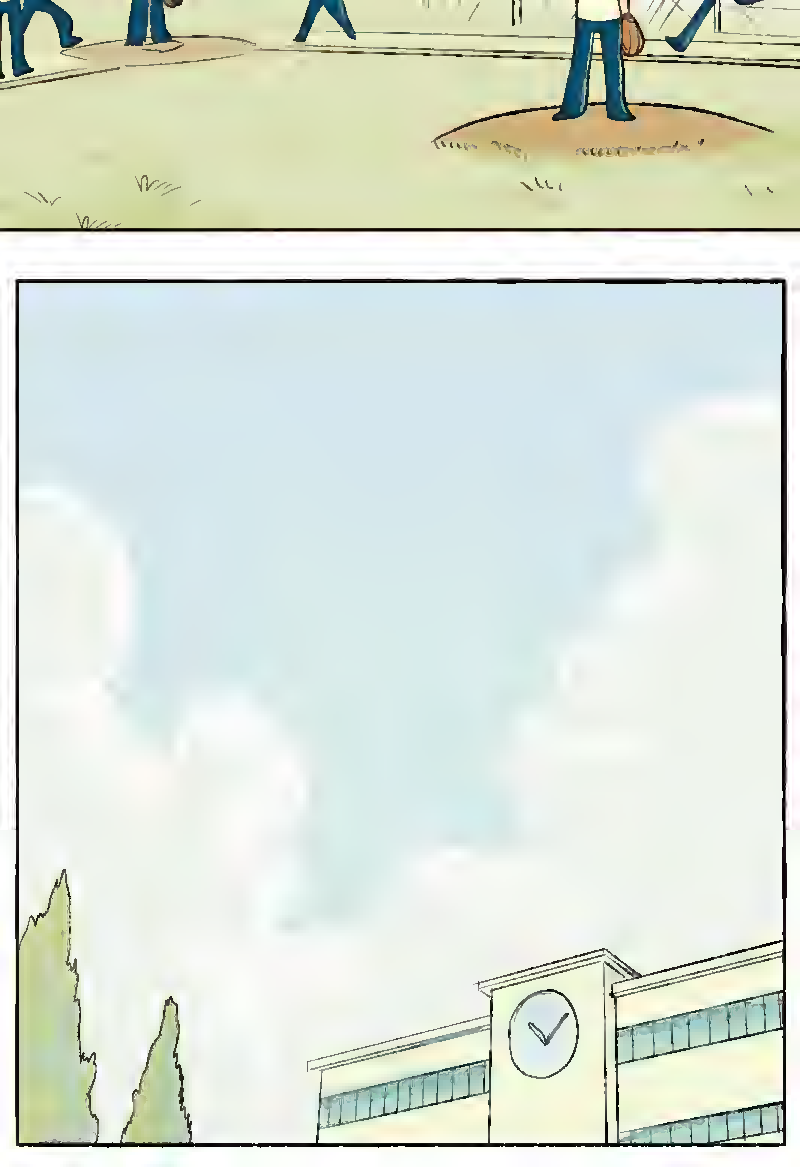
ball!
What?
Oh!



Ermf!



Smack!



In the end, my little investigation turns up nothing.
Why is Oliver so hard to track down?

It's hard to believe he hasn't left some kind of trail online.
We all do, so why not him?

And yet it's as if all signs of him have been erased.
haa
I'm looking for proof that he exists...

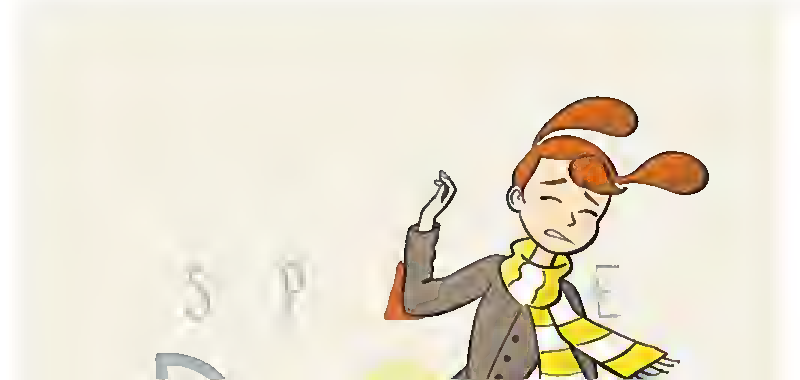
Awesome energy in this one--
Thank you!

Gabriella Balagna

"Everyone seems so curious how Amy's anti-gravity hair works. I figure it must work the same way her body stands upright without feet. ;) No, but seriously, her hair and "feet" are awesome!"



Ha ha--
I never thought of that, but I guess it's true!

Lydia May

"I love your art and comic, and can't wait to see where it goes!"

Woah, we need a close-up of this one.

Wow.
